From atop a small hill we view the passing of time. Somewhat apart, we watch as man moves through his existence. The joys and sorrows that beset the world seem remote to our hill although we know our point of vantage is but a prelude to an adventure in the world.

Thus we cherish the memories of an academic life as we move from this abandon to take the worldly responsibilities thrust upon us.

Let this book be a fiber from which we can weave the warm memories of our college days.

dedica

A true leader must have the power to command men and yet remain human. He must be human and superhuman.

That a man can resolve his power of leadership with his human nature is indeed worthy of praise, but a man further resolving his leadership with the stark simplicity of the priesthood is truly great.

A man of such resolution is the sixteenth president of the University of Dayton, the Very Reverend Andrew L. Seebold.

A son of the Blue Grass, Father Seebold graduated from U.D. in 1924. He was ordained to the priesthood at Fribourg, Switzerland, ten years later. Receiving his doctorate from the Catholic University of America, he moved to the presidency of Cathedral Latin School in Cleveland. In 1953 Father Seebold was inaugurated president of the University of Dayton.

Since his commencement of office Father Seebold has been a constant source of progress. With dynamic effort he has modified and innovated throughout the school. His presence has been felt in the construction of new buildings, introduction of new policies, and an entirely new attitude toward education.

Here then we dedicate this book in humble gratitude to Father Andrew L. Seebold, who as leader of our hilltop, has bestowed his human personality on the entire University.

on

THE VERY REVEREND ANDREW L. SEEBOLD, S.M.
President, University of Dayton

new on hill

Rising in bold relief above the drill field stand two symbols of contemporary U.D. The new Science Hall and Wohlleben Hall represent a revolution in education. Combining the talents of an excellent faculty with these new buildings the University of Dayton moves to the front as one of the finest colleges of science in the country.

Our new buildings do not merely represent progress in the

our top

field of science education, they are a prediction of tomorrow's U.D. The University has plans for a new activities center and a new school of business. With these plans the University will be able to meet any future educational challenge.

We congratulate the College of Science and the entire University for a progressive attitude in building a new U.D. on our hilltop.

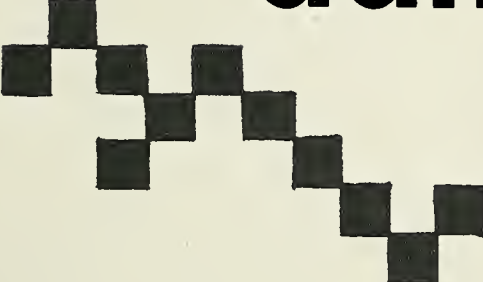

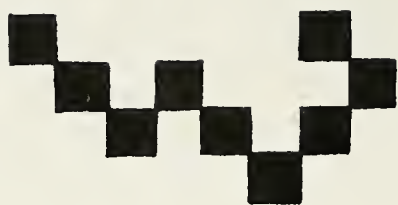

*to manage men one must have
a sharp mind in a velvet sheath*

Mr. Glenn Massman (L) with Doctor O'Leary

doctor o'leary

thirty-five years

Most hearty congratulations are offered to Doctor E. B. O'Leary, who in 1959, completed his thirty-fifth year at the University.

Serving both as Professor and Chairman of the Department of Economics, and as a Director of the Winters Bank, Doctor O'Leary exemplifies the ideal of intellectual pursuit and community service.

The venerable Doctor is shown here with Mr. Glenn Massman, Management Consultant, after a successful Alpha Kappa Psi Conference.

FIRST ROW, clockwise: I. Relax, T. Malthus, Mickey Neal, I. Slouch, Rusty Chain, Dennis Mundhenk, Prentice Hall.

organizations

student council

The projects of the Student Council for the year 1958-1959 were summed up in a statement by the president, John Messenger. It is his firm belief that the organization has definitely lived up to the student's expectations and accomplished the goals which it set up at the beginning of the term. Basically, the council has continued along the lines that were determined by previous organizations. John believes that even more has been accomplished, particularly the filling of the gap between the student and the administration.

Besides the regular routine work, the council has promoted several new projects. There has been set up a tentative athletic program that deals with a greater participation in campus intramural sports. And, of course, there are the plans for the Spring Week. This year it was greater than ever, including lecture series, field day, Bermuda shorts day, a jazz concert featuring Stan Kenton, and terminating with the crowning of the king and queen at the Senior Farewell dance.

Another project not to be forgotten is the Big Four Inter-collegiate Committee. This is a unique organization on campus level. All in all, it is the thought of the organization's officers and the student body itself, that the Student Council has done a good job in governing their campus this year.

the marching band

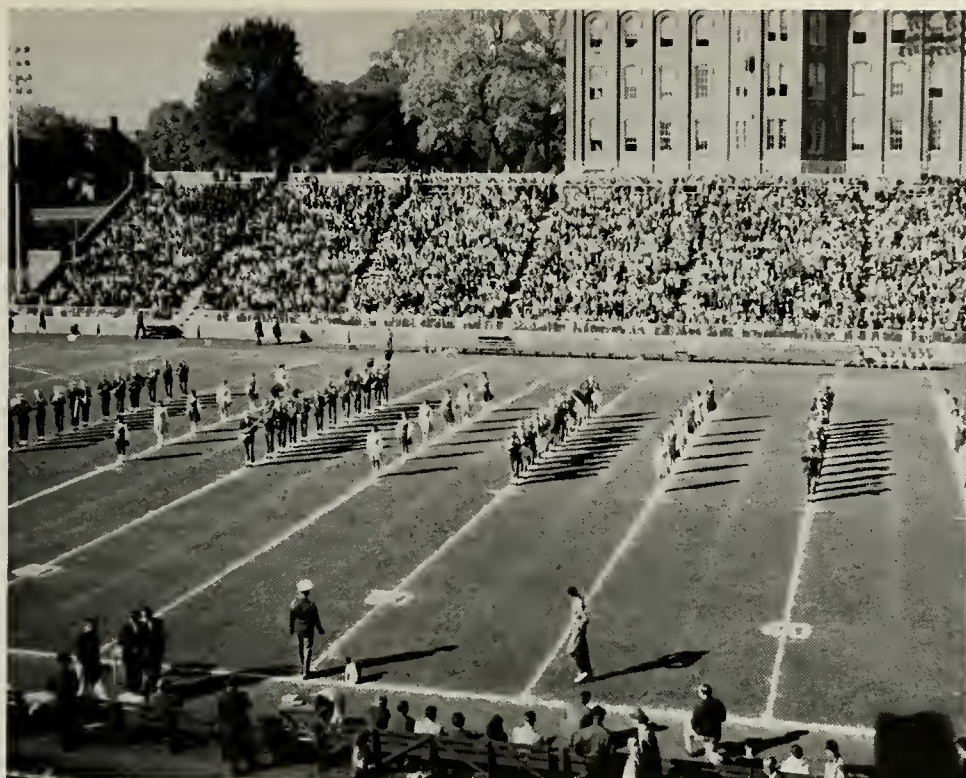

THE MARCHING BAND AND COEDS

Football is the paramount activity during the fall season at U D. And with the coming of this event, there is a bustling activity in the band room. For it has become traditional to see the performance of the combined unit of the Band and Coeds at half-time ceremonies. The color of their uniforms and the enthusiasm of the march reflect the spirit of the student body. The Coeds, led by drum major, Tom Whitt, are perfecting the precision step.

The appearances of the group have been distinguished in other events outside activities connected with U D. One case in particular is the show they put on at the Cleveland Municipal Stadium. The half-time parades and marches at this professional Cleveland Browns-New York Giants football game featured the Marching Band and Coeds. Most of their feats have been publicized or televised, and certainly they will always share a part of the U D student's memories.

the dayton flyer

In the four short years since Jocko Hussong revamped the University newspaper and the first issue of the "Dayton Flyer" appeared, many fine things have sprung from suite 111-112, Liberty Hall. This tradition continued to 1959 when Mr. Eugene Schill and his staff presented a year of "Innovation."

New columns, poignant editorials and keenly perceptive articles provoked a reexamination of cultural and literary views on the "Hilltop." This year will undoubtedly mark a journalistic transition at U D.

Congratulations, then, to Gene Schill, the editors, and the entire staff of the "Dayton Flyer" for their effort and persistence in the producing of one of the truly remarkable publications on any campus.

exponent

Seated crosslegged on the bare floor, she poked at a battered old "Underwood." Without pausing she motioned with her head, "It's a good typewriter—really broken in—but it's so difficult to find words that aren't spelt with an "f, i, or e."

Her office was very functional, however I thought it very odd that she had no desk. "Oh the Flyer needed more space for its editorial writers so they preempted our desk one night. But I really don't mind and Joe (Stehlmach) sits on the floor at home anyway."

Joe was on the back porch getting ideas for the Winter Issue. As I approached he started and almost fell into a caldron of Espresso he was brewing. "Guess I better go inside with you, this snow plays heck with my sandals."

We sat crosslegged on the bare floor and drank Espresso. Mary Jo and I talked of our favorite writers. Was J.J. Tripp still living beneath Liberty Hall? Did August K. Drabkin ever get out of the bottle? Had O. Farrington Nutley become a Dilettante?

I became restless and decided it was time to depart however as I left the room I tripped on a large hatbox which overturned and revealed six cockroaches which were completely soaked with ink. "Oh no" said Mary Jo "we've lost our art staff."

university players

"The University Players have, in the past two years, changed their policy of doing 'just drama' to doing drama of a classical stature. . . . This season the Players took on their most ambitious program. The success or failure of the productions depends on, as always, audience reception. The first selection, *Juno and the Paycock*, is a classic of its time and the universal aspects contained therein maintain its endurance. Besides being a beautiful character study, it is probably the epitome of tragedy of our time.

Richard III, the second production, was a trial from beginning to end. The organization is not of sufficient strength to carry this undertaking with all of its strenuous facets. Considered in this aspect, the production was not bad . . . It was never great, nor did it live up to the expectations of the cast or the director.

At press time of the yearbook, the Players were just entering into what has become a tradition, their annual musical comedy. *The Boy Friend*, a satire on musicals of the 'roaring twenties,' was approached with a sense of relief and anticipation. The complete abandonnness of the play itself was well appreciated. . . .

It is the firm belief of the Players that there is a sufficient supply of 'good drama' that should be presented without having to revert to poor or inconsequential material. In conclusion, it is the Player's policy to continue on this course. . . ."

Stan Kenton provided an opus on campus

spring week

One of the most popular events of the year is commonly known as Spring Week. Commencing on 10 May, the Week included such activities as cultural lecture series; a Bermuda shorts day; the jazz concert with Stan Kenton; and terminating with the Senior Farewell dance. It was of particular interest to the seniors, as the Week was their last real campus activity, but everyone agreed it was packed with fun and hilarity.

FOOTBALL SEASON

The University of Dayton and the University of Cincinnati opened the football season for both schools tonight in a continuous down-pour. The weather conditions were so bad that Coach Kerr said that the weather along with Cincy's depth were the decisive factors in the game.

With only 5:51 gone in the game Cincy scored after recovering a fumble on the UD 8 yard line. Then just 62 seconds before halftime they scored again on a long run.

On the bright side for Dayton were their quarterbacks who looked exceptionally good considering the conditions they were forced to play

under. Mel Smolek and Pat Connor completed 8 of 18 passes and actually outpassed the Bearcat quarterbacks.

The score was 14-0 at halftime and that was the extent of the scoring as Cincy got no further than UD's 15 and UD got no further than Cincy's 21.

UD 13, RICHMOND 12

Dayton won their home debut from Richmond, 13-12. After having a tough time getting started, in which they allowed Richmond to score first, the Flyers finally scored on a pass from Mel Smolek to Vince Palyan. Jerry Raiff's kick gave UD a 7-6 lead at halftime.

Dayton took the second half kickoff and staying strictly on the ground, scored on 13 plays with Smolek going over for the TD. Raiff missed the extra point attempt.

Richmond scored with 7 minutes left in the game on a 27 yard run. A 2 point attempt, which would have put Richmond up by 1, failed. The score now read 13-12 in favor of Dayton. The Flyers were driving for another touch-down when time ran out.

UD 0, BOWLING GREEN 25

Bowling Green ends Dayton's seven game home winning streak with a 25-0 victory.

Dayton's defense excelled early in the game, as the first half ended with neither team scoring. UD's offense even penetrated deeper than BG's, as the Flyers came within six yards of a touchdown late in the first half.

The second half was altogether different as Bowling Green seemed to have no trouble solving Dayton's defense. The Falcons scored three quick touchdowns and completely dominated the second half. The Flyers were unable to generate any type of prolonged drive even though Mel Smolek quarterbacked the team very well, completing 15 passes.

UD 8, OHIO U. 23

Nothing went right for UD on a day when doing things right meant so much to the team. Today was Homecoming Day and a crowd of 8917 hopeful fans were on hand to watch the game.

Even though UD lost 5 fumbles and committed various other miscues, OU had only a 7-0 lead at halftime. The second half, however, was a different story as the Bobcats scored 20 big points to put the game out of reach as far as the Flyers were concerned.

The Flyer's lone score came with less than 2 minutes remaining in the game when a Smolek to Dillon pass put the ball on OU's 5 and Bucky Staggs scored 2 plays later. Following the touchdown Smolek passed to Al Adkins for the 2 pointer.

Sophomore Pat Connor looked especially good going both ways for UD and you can be sure Coach Kerr has plans for him in the future.

UD 26, LOUISVILLE 13

Dayton scored in every quarter tonight to defeat the Louisville Cardinals, 26-13. The Flyers combined an adequate passing game with an awesome ground gaining attack to notch their second win of the year. Led by Chuck Malloy and Vince Palyan who picked up 91 and 77 yards respectively, the Flyers gained 280 yards on the ground which easily topped their previous high.

Dayton's first two scores came on 2 yard plunges, by Dillon in the first period and Palyan in the second. Kicks by both Raiff and Kramer were good following the touchdowns.

Louisville's first touchdown came on a 45 yard pass play midway in the second quarter.

The Flyers scored another touchdown as Moli-

toriss carried over from 2 inches out after a previously fine run by Connor. The attempted kick was wide.

Both Louisville and Dayton scored in the last quarter. UD's touchdown coming on a Connor to Dillon aerial which covered 26 yards and Louisville from 1 yard out to make the final score read, 26-13.

UD 0, XAVIER 16

The Flyers were shut out for the third time this year, 16-0 by the Xavier Musketeers. The Flyers had absolutely no running attack as they ended up with a 4 yards rushing against Xavier's aggressive defensive line. The aerial route proved not much better as they gained only 45 yards. This was far from an exceptional team Xavier fielded tonight, but what they lacked in football know-how they made up for with desire.

The Flyers had some standouts of their own in Pat Connor, Emil Karas, Cliff Harestad, Steve Palenchar and Joe Tache.

UD 0, HOLY CROSS 26

12,000 fans saw Holy Cross win their fourth straight game as they scored on the first play from scrimmage, a 37 yard pass play, to beat UD, 26-0. The Flyer offense was hurt today with the absence of Vince Palyan, gaining only 11 yards throughout the entire game. UD equalled a school record by attempting 37 passes. They completed only 14. Dayton's defense held the Crusaders to midfield during most of the second and third quarters. UD's top groundgainer was sophomore Jim McCarthy.

UD 7, VILLANOVA 9

A Dad's day crowd, reduced to 2500 because of rain which fell throughout the entire contest, saw Smolek connect with Cyphers for a 33 yard pass play, the first score for either team, with 4:07 gone in the first quarter. Following the touchdown, Jerry Raiff's attempted point after was wide of its mark.

Most of the action was centered in the first and last quarters. UD's only touchdown came in the first quarter and Villanova's safety and touchdown came in the last quarter.

In the second quarter UD could penetrate only as far as the Villanova 48 and although Villanova came much closer to UD's goal, (the 5 and 15) they also were unsuccessful at moving the ball.

The turning point came, when with 2:15 gone in the last quarter, and UD having the ball, fourth and 31 on their own 2, Coach Kerr elected to give Villanova a safety instead of chancing a blocked punt and the possibility of a Villanova touchdown. Villanova got the safety, and then when UD kicked off, Villanova put together its one sustained drive of the day. On 13 plays, with Intrabartolo being the main ball carrier, they scored the touchdown which gave them the margin of victory.

The Flyer's best ball carrier was Harestad who was playing his first game as fullback.

UD 0, MIAMI 34

The Flyers never got over George Scott's runback of the opening kickoff of 90 yards for Miami. Miami scored another touchdown on a punt return and three others on intercepted passes. Miami's offensive punch was through the air today as UD's line did a wonderful job containing Miami's hard running attack. Edick, Karas, Latell, and Lane played exceptionally well.

UD 7, DETROIT 27

Detroit scored in every quarter today to give Dayton its eighth loss of the year. Detroit scored the first time they got the ball on a 41 yard drive. They scored later after a UD punt died on the 40. A wild center by UD gave them a safety and their other 2 touchdowns resulted from UD fumbles.

Dayton's lone touchdown came when Jerry Raiff took a lateral from Pat Connor and tossed a perfect pass to Tony Latell on the Detroit 15 where Tony took it the rest of the way. Raiff converted.

HERB DINTAMAN
Freshman Coach

SEASON REVIEW

The 1958-59 basketball season began with high hopes for the Flyer players and fans but cautious reservation by Coach Tom Blackburn. The sophomore-studded flyers began the season with an unimpressive 54-50 triumph over their scrappy neighbors from Central State. Unknowingly to most UD fans this contest was an ominous sign of things to come. In an interview after the game, Coach Blackburn stated what most fans were not willing to admit, that this Flyer team was to be inconsistent and heir to the many mistakes that are apt to befall a young ball club. Regardless of this dire prophecy the Flyers kept rolling along with a 75-43 victory over listless Ball State of Indiana.

The hoopsters were then tested by an equally untried Miami Redskin five and Hank Josefczyk's timely baskets and fine all around play enabled the Flyers to emerge the victor, 54-50.

Next the hometowners recorded a none-too-impressive 66-53 triumph over the Stetson Hatters from sunny Florida.

varsity basketball

Left to right: Tom Boykin, Phil Dubensky, Bob Jones, Frank Case, Hank Joseczyk, Joe Kennely, Coach Tom Blackburn, Manager Bill Brennan,

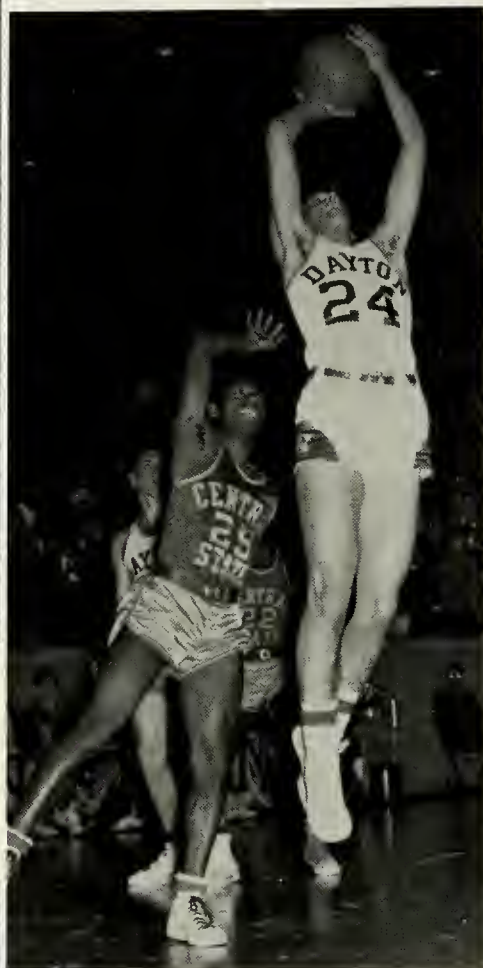

Mike Allen, Pat Allen, Don Heller, Ray Zawaoski, Terry Bockhom, Bill Cramsey.

The hot-shooting Texas Southern team then invaded Thrombosis Fieldhouse, but the Texans shabby defense was bombarded by Frank Case, whose 37 points led the Flyer five to a 93-77 victory in a phenomenal shooting exhibition.

Coach Ed Diddle led the Maroons of Eastern Kentucky onto the Flyer hardwood and Dayton edged Eastern 69-68 in a hotly contested ball game.

With six straight home victories the Flyers flew to the big city with visions of capturing their first ECAC holiday festival crown. They started well enough with aggressive Bobby Jones coming through with 18 of his 20 points in the second half, backing Frank Case's 26 for a hard fought 84-79 triumph over game but out-manned Niagara.

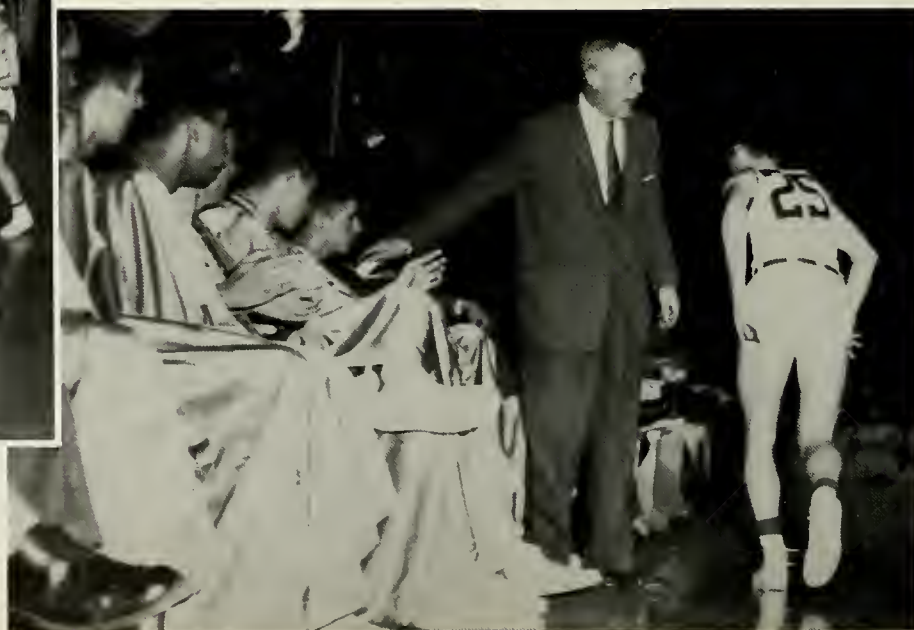

The inevitable finally occurred when Tony Jackson led a strong St. John's team to a 76-63 conquest over the Flyers.

Rough-tough Utah pushed the less aggressive Flyers all over the court as well as out of a third place finish in the Holiday Festival by defeating them.

The Flyers found home ground no more fruitful as Brigham Young became the second straight team from the state of Utah to defeat the Flyers. The Cougars topped the sliding Flyers, 70-62.

Dayton returned to their winning ways with a 57-47 victory over cold-shooting Duquesne. Then they journeyed to the windy city for a contest with DePaul and their highly touted sophomore, Howie Carl. They emerged victorious, 62-60, in a tight ball game with Terry Bockhorn's 18 points and impressive outside shooting performance leading the way.

The Flyers returned home for a game with down state rival, Xavier. Frank Case's clutch foul shooting and Joe Kennelly's fine rebounding performance enabled the Flyers to avenge last year's NIT defeat with a 60-56 victory over Jim McCafferty, Hank Stein, and Co.

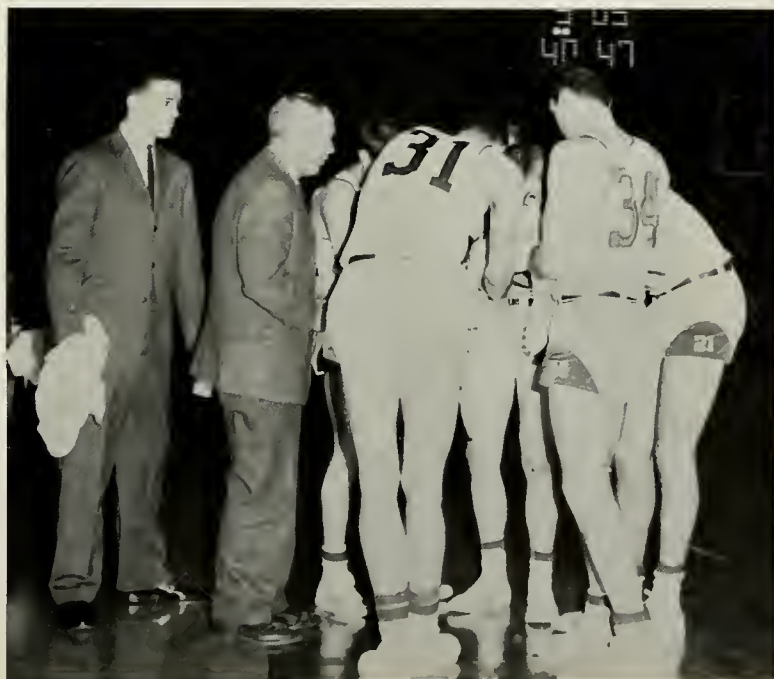

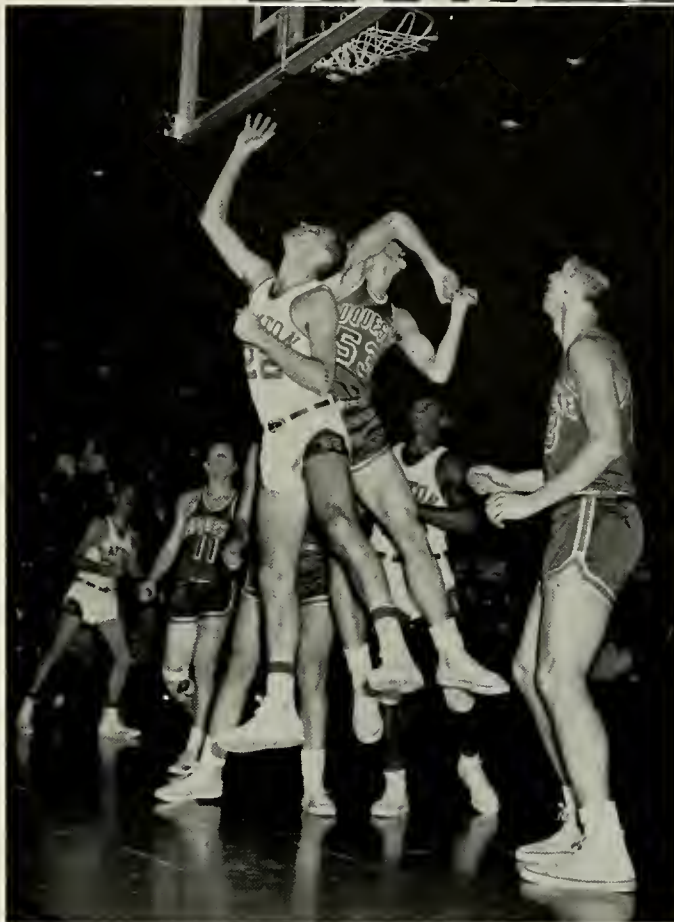

Whatever thoughts Dayton fans had of the Flyers finally finding a jelling combination were quickly dispelled when Louisville's fast moving Cardinals gave the Flyers a sound 76-59 thumping.

Dayton continued in their up and down ways with a 67-54 triumph over Canisius of Buffalo with Frank Case hitting 26 points including 7 straight second half shots.

Little St. Francis of Loretto, Pennsylvania, with big Wilbur Troach exhibiting a deft scoring touch imposed an untimely 56-53 defeat on the Flyers.

Cincinnati's fourth-ranked Bearcats quickly deflated any hope of a Flyer upset by building up a 23 point second half lead, then breezing to an easy 96-74 victory over the out-manned Flyers. The fabulous Big-O, Oscar Robertson, led his nearly equally fabulous teammates with 38 points in one of the finest overall performances of his career. Sophomore Phil Dubensky's hustling play and 19 hard-earned points helped to give Flyer fans confidence of a better showing next year.

The Flyers then journeyed to Oxford for a contest with traditional rival Miami in packed and partisan Withrow Court. The Flyers overall performance was good but poor foul shooting plagued them here as

it had many times before and Miami emerged a 72-68 victor. Sophomore Bill Cramsey showed his metal in this game and tied Frank Case for high point honors with 17.

The Flyers returned to their winning ways with an 88-69 win over DePaul. Frank Case led the way with 34 points and was helped with a 13 point performance from Mike Allen, the senior center returning to the lineup after a prolonged injury.

The Flyers next copped a hard fought contest from an explosive, and well drilled Portland team, 66-57.

The Flyer NIT hopes now loomed brighter but it seemed as if the prospective spring trip to New York depended on reasonably impressive wins over Duquesne and Louisville.

Dayton started off badly against Duquesne as Bob Slobodnick and Bernie Matthews combined to overcome the Flyers. Phil Dubensky came off the bench to fire in six straight shots but all for nought as the Daytonians fell, 65-58.

The revenge motive was a strong incentive for the Flyers to bounce back against Louisville and the home team seemed well on their way to victory after building up a 27-18 lead. But Louisville's fine outside shooting broke up the Flyers zone and the Cardinals came away with a 58-54 victory.

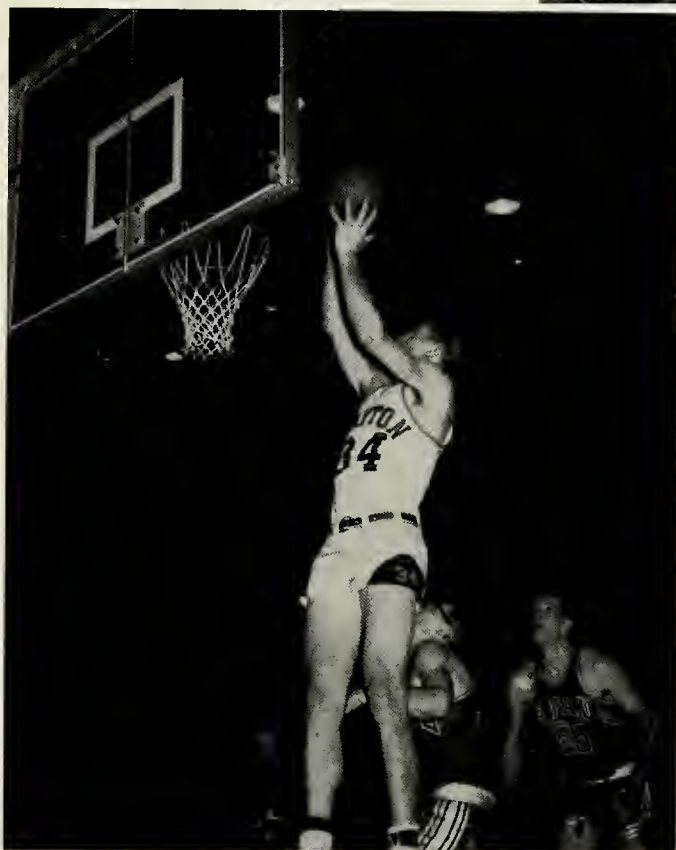

Coach Blackburn was not completely satisfied with the hospitality of the southern referees at Wake Forest, as the Deacons scored 34 of their 66 points at the foul line and defeated the Flyers, 66-57.

March started off on a happier note with Mike Allen scoring 20 points and leading the Red and Blue to an impressive 81-52 victory over an almost totally inept Detroit team.

Detroit was to be the Flyers last taste of victory in the '58-'59 season. The Toledo Rockets with a surprising performance by sophomore George Patterson, spoiled the last game of the year before the home fans with a 68-65 upset of the Flyers.

The season ended on a sad note as Bobby Jones' 21 points were not enough to offset the Musketeers late game rally. Hank Stein, a disappointment most of the year, starred for Xavier as he did in last year's NIT championship and Xavier came through with a 71-69 comeback victory.

This was not an entirely happy season for the Flyer team, coach or fans. Inconsistency and inexperience plagued the team throughout the year but the flashes of brilliance which the Flyers showed at infrequent intervals during the year holds promise for much, much better results in the near future. An outstanding freshman team led by Gary Roggenburk, Tommy Hatton, and Norm Schmotzer may add the needed balance and outside scoring punch. Here's to brighter horizons for the '59-'60 Flyer hoopsters and well, how many times can one team lose the NIT final.

One "Thomas Edison" in a generation is not enough...

If America is to maintain its present leadership, we shall literally need thousands of well-educated young people with the vision, the imagination, and the courage that our pioneers used in the conquest of the unknown.

The future progress of our nation rests squarely upon how well its young people measure up to their responsibilities.

This means that no matter what your ambitions may be . . . whether your particular talents fit you best for careers in medicine, business, engineering, finance, government, or the social sciences . . . great opportunities await you in these fields if you qualify for leadership.

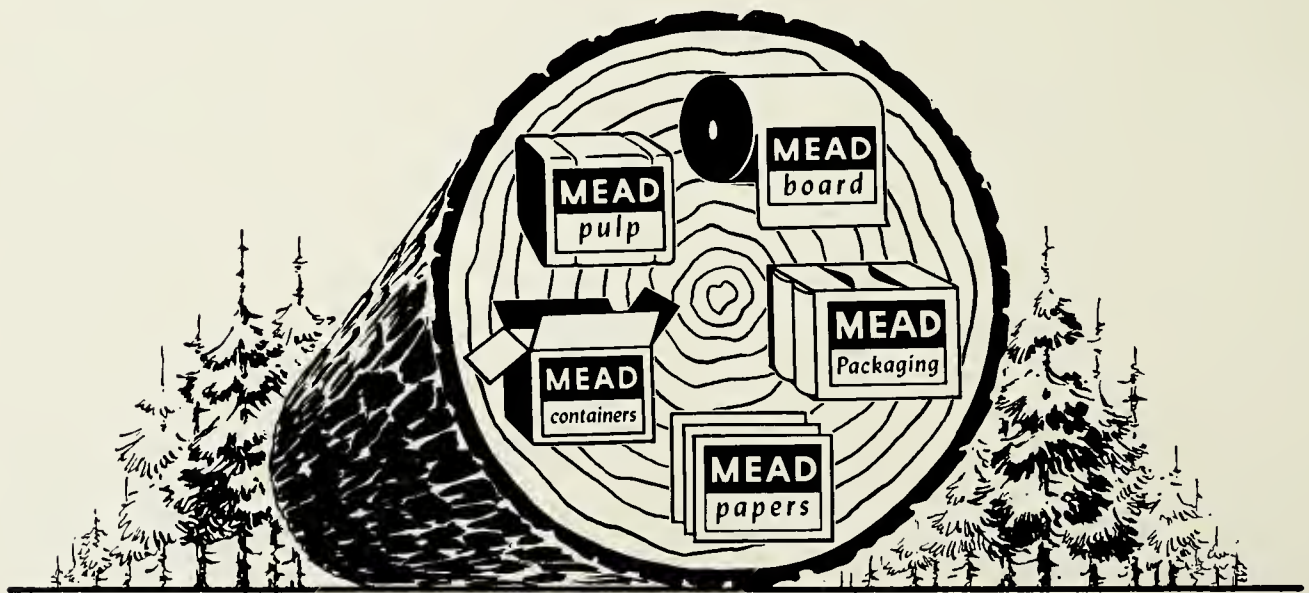

Make full use of every opportunity for self-improvement and continue your education all through life. University of Dayton has given you an excellent foundation for your development into an admired and respected leader of the community.

The National Cash Register Company

Mead *Papermakers to America*

The Mead Corporation, an outgrowth of a paper manufacturing business founded in Dayton by Daniel E. Mead in 1846, has 31 operations in twelve states in the Eastern United States.

The Corporation, one of the more diversified paper companies in the country, has its principal executive offices in Dayton.
